

Diablo Nutrients Starter Kit

The **Diablo Starter Kit** is a great way for new and smaller growers to get started growing with a complete package sold as an economical kit that showcases the Diablo brand to growers.

The Starter Kit contains Diablo's powerful three-part nutrient formula plus additives and supplements to help grow beautiful cannabis plants on your own.

This Starter Kit also comes with **instructions on how to use** the products and detailed information on each specific product and also includes a **promo gift** from us at Diablo to say "Thank you".

The Starter Kit **helps bring repeat customers** to your store for more Diablo products ensuring you have a profitable high tech product line to sell.
